Phoenix Guild Of Puppetry

The Phoenix Guild of Puppetry was formed in 1959 and was chartered by the Puppeteers of America in 1961. Its goal is to encourage the art of puppetry in all forms.

Throughout the year the Guild hosts a number of exciting events and informative workshops presented by professional puppeteers from around the country.

Along with the Great Arizona Puppet Theater, the Guild has sponsored National Day of Puppetry events on the last Saturday of April for many years.

The Guild has hosted the Pacific Southwest Regional Puppeteers of America Festival where hundreds gathered to share ideas, hone their skills, present shows, and encourage newcomers.
